WESTFIELD ENGINEEING CONSTRUCTION CO. WLL

About The Company

In the advent of the new millennia, **M/sWestfield Engineering Construction Co. W.L.L.** has been one of the most prevalent companies associated with the development of Qatar. The company was established on **2012,** with the business partnership of **M/s Regional Group**, has developed to be one of the reputable companies that have been there tested and certified.

Today **M/s Westfield Engineering Construction Company W.L.L.** Operates in Contraction and Maintenance, Elevator and Escalators, finally Equipment charter. The Company has much experience in the field of construction and has the capabilities in mercantile commerce to fulfill any desired needs of the patron in every feasible way. The company is committed in giving the best products and services to each client, making unyielding bonds of trust and mutuality therefore solidifying the name throughout the years. As a result, the company is looking up to the future with unfaltering stance.

Aspirations & Values

The company aims to be one of the forefronts in contracting and trading corporations in the state of Qatar by giving the most suitable options and reliable transaction to each client at a time. Also in order to attain such purpose the company relies on the following virtues:

- ***Determination***– to manifest a fixed perseverance to bring definite quality every time.
- ***Excellence***– to give value into every aspect of each work by bringing the suitable and the best to each client.
- ***Solidarity***– to encourage communication and utmost cooperation within the company, to be as a single unit at all times, nevertheless as well to the client in order to attain better synergy for optimum results

As the company is dedicated in giving the optimum results for our clients, the company also firmly follows regulated standards of the industry here in Qatar. The company also upholds principles and necessary procedures for our employees giving as per defined by the Ministry of Labor. Since the beginning all personnel are given what is apt in each designation, with privileges and justified compensation which they enjoy throughout their career in the company.

Our Project Management and Execution philosophy is:

- Create details schedule&resources plan to meet client's project objectives,
- Communicate clearly with all project stakeholders,
- Track project progress and fine-tune deviations,
- Supervise closely on quality of work done,
- Complete and commission the project on time.

We take pride in our delivery, thus our clients can always be assured that only the most experienced and qualified people are serving them, all the time.

Our Vision:

To be a respectable building contracting beyond expectation, always

Our Mission:

To procure projects at competitive pricing, provide safe working condition and deliver quality work within reasonable time frame.

A message from the Pillars of the Company

As a result of time and diligence, the humble beginnings of being simple indenters of welded wire mesh. Then followed by moving in to the hardware and building materials trading, next to being a contractor, we came up with a great outcome of being a full fledge company with a great array of products and services. We may had many potholes on the way – some due to inevitable occurrence of adversity we still push through with better determination to surpass them, proving time again that we can accomplish with hard work and honesty. Times may have change but the goal to strive for greener pastures, as one can say, is still imminent.

We are truly grateful to all essential people in our life whom are with us through thick and thin, from our families and friends and to the clients, for their unrelenting patronage. To continue ahead in a better path we ask of your help to continue by keeping bonds with us; we invite you to take part in our journey towards success and wishing to aid us in making Westfield Construction Co. one of the good companies, please do continue such support as we persist on discovering and delivering better solutions.

Regards,

M/S REGIONAL GROUP

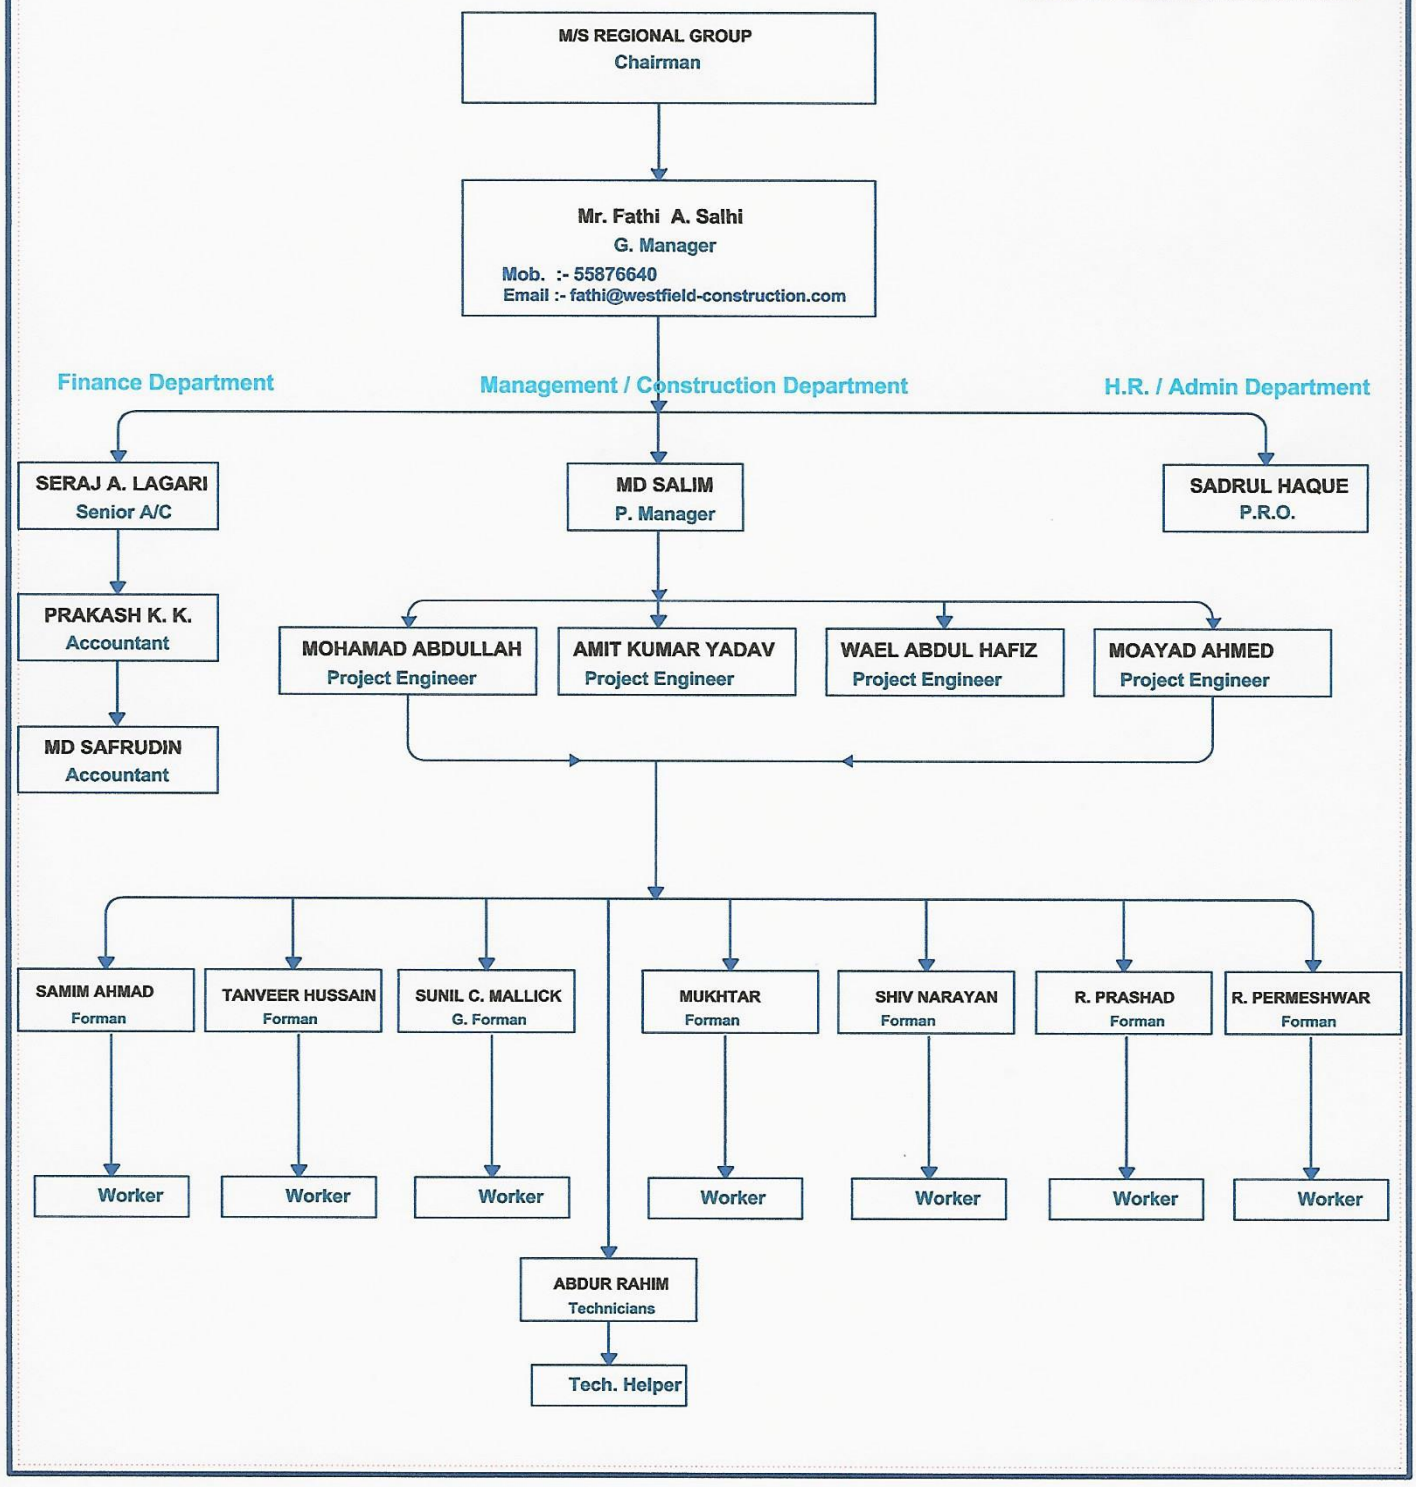

Chairman

Mr. FATHI A. SALIH

General Manager
